# MARK GREATHOUSE

Sou um apaixonado pela arte da fotografia. Durante minhas andanças pelo mundo, fui percebendo que fatias cada vez maiores da minha vida estavam sendo preenchidas por ela.

Finalmente, enquanto estudava medicina na pequena ilha de Grenada em 2010, essa paixão se tornou grande demais e decidi que era com uma câmera fotográfica (e não com um estetoscópio) na mão que queria fazer minha carreira. Não poderia ter feito uma escolha mais feliz.

Acredito muito no poder que as imagens têm de mudar o rumo da história e de transformar olhares. A fotografia nos conecta com a humanidade e carrega a beleza de nos transportar para onde quisermos - ou precisarmos - estar.
